

RESERVATION POLICY

Pompilio's Accepts Reservations Monday -Thursday and at a limited number Friday-Sunday. Reservations can be made online through our website, Reserve.com or by calling (859) 581 3065. We do not offer call ahead seating. Each of our guests are welcome to walk-in. Please keep in mind space is limited during Holidays and Peak Seasons. Reservations are not required, but suggested. Each Reservation is given a 10-minute grace period followed by a phone call – after 15 minutes the reservation will be considered a no-show and cancelled. If you foresee you will be late please make an effort to call so accommodations can be made to hold the table. If you need to cancel please do so 24 hours in advance. Any dietary needs or allergies should be noted when making the reservation to be sure our kitchen and serving staff can be alerted and prepared.

Large Parties (5 or More)

Our ability to take parties of this size is limited. A call will be made days before the reservation to confirm all details for the reservation. If a message is left we ask that you return the call no later than 5pm the day prior to the scheduled reservation, or we will be forced to void your reservation. Please be sure of the number of guests in the party when giving the confirmation. We understand that plans change, but our ability to increase the number of guests is limited. If there is an increase in guests prior to being seated we can no longer guarantee your original reservation time. If there are fewer people than the original reservation upon being seated, we reserve the right to rearrange seating for the party to accommodate the restaurant and the reservation. Pompilio's reserves the right to set a maximum-duration limit on a reservation based on the size of the party, day and time. The maximum duration limit will be set before the day of the reservation. Please assume when making your reservation there will be someone dining before you and after you. Any groups over 20 people should please contact the Dining Room Manager at Gabby@Pomilios.com for scheduling. These groups are subject to a smaller dinner menu and an automatic gratuity of 20%. For Bus Tour scheduling please contact PompilioJoe@aol.com.

Other Policy's

- Separate checks can be accommodated; however, Pompilio's reserves the right to require one check based on the size of the party, day and time.
- A \$10 charge will be applied when service staff cuts or plates any desserts brought into the restaurant
